## Expectations for Transportation and Supervision by Families on School-Sponsored Sporting Events

Number of seats available in vehicle besides driver: \_\_\_\_\_

### Parent Driver Rules

- Copy of **current** driver's license and liability insurance forms must be attached to this form turned in to Directors.
- Each student must have their own seat belt.
- Children (12 and under) cannot sit in the front seat.
- If families provide a car seat or booster seat, they must be used by parent drivers.
- There will be no deviation from the original destination.
- There will be no unplanned stopping for gas, beverages, food etc. Please inform teachers of any mechanical trouble by cell phone immediately.
- Due to food allergies and issues of equity, parents may not buy additional food items for their group of students.
- Students must be actively supervised at all times.
- If a student may require emergency medication, parent volunteers will carry the medication at any time the student is in their care, and will receive specific instruction regarding medications from teachers.

**Please do not use cell phones during the sports event except in an emergency. Cell phones must *never* be used while driving – it is against the law.**

**Please provide a copy of your current driver's license and insurance to the athletic directors. If you need a copy made, please see the office.**

By signing below I certify that I have automobile liability insurance which covers the driver and all passengers in the automobile and I have ascertained that my policy will cover me and all passengers riding in the automobile in connection with the attached school activity. By signing below also confirms that I am agreeing with the rules listed above.
